

Bleeding Control Wall Station (Clear)

H.B. 496 Compliant

Time is a key factor in survival of a critical incident, especially when the injured is a child. The Con10gency™ Bleeding Control Wall Station provides immediate responders and trained bystanders with critical medical equipment to stop life-threatening bleeding before first responders arrive.

The Bleeding Control Wall Station (Clear) includes a clear polymer wall mounted storage cabinet with a security tag eyelet and six (6) Individual Bleeding Control Kits vacuum sealed in easy-tear pouches.

This Bleeding Control Kit features the Combat Application **Tourniquet** (CAT), HyFin Vent **Chest Seals**, QuikClot® Hemostatic **Bleeding Control Bandage**, a 4" Trauma Dressing **Compression Bandage**, and more. Each kit also includes a complimentary copy of the official Stop the Bleed instruction booklet. This kit brings the tools of medical professionals directly into the classroom. As an educator, parent, volunteer, or student, you are best positioned to provide immediate care until help arrives. The Con10gency Bleeding Control Kit for Texas Schools gives you the tools to do so and remain in compliance with Texas law.

Made in the USA. 5 year shelf life.
