

Bleeding Control Kit for Texas Schools

HB 496 Compliant

As low as \$59.95

Con10gency
Consulting LLC

Time is a key factor in survival of a critical incident, especially when the injured is a child. The Con10gency™ Bleeding Control Kit for Texas Schools is designed to provide lifesaving, immediate assistance to those seriously injured before first responders arrive. This classroom-based kit allows students or staff to treat an injury without the need to move around the building and possibly expose themselves to further danger. It is fully compliant with the Texas Stop the Bleed law.

This Bleeding Control Kit features the Combat Application **Tourniquet (CAT)**, HyFin Vent **Chest Seals**, QuikClot® Hemostatic **Bleeding Control Bandage**, a 4" Trauma Dressing **Compression Bandage**, and more. This kit brings the tools of medical professionals directly into the classroom. As an educator, parent, volunteer, or student, you are best positioned to provide immediate care until help arrives. The Con10gency Bleeding Control Kit for Texas Schools gives you the tools to do so.

Contents:

Bleeding Control Packages

HB 496 Compliant

Bleeding Control Kit Multi-Pack

This Multi-Pack features three of our HB496 Compliant Bleeding Control Kits designed expressly to put the lifesaving components used by first responders in schools. The Bleeding Control Kits are individually packaged and vacuum-sealed for longevity all packaged inside a Hi-Viz orange pouch for quick identification. The pouch features a shoulder strap and extra internal pouches for housing additional components.

*Ideal for placement in common area such as: cafeteria, library, and gymnasium.

Active Shooter Response Kit (ASRK) w/ 10 Bleeding Control Kits

The Active Shooter Response Kit is based around the Rescue Task Force concept. The tactical backpack allows for easy distribution of multiple bleeding control kits to injured persons quickly and efficiently. The large center pouch, housing ten HB496 compliant Bleeding Control kits, opens from both top and bottom for ease of access. Two large side pockets can be stocked with additional equipment. This kit allows schools to have pre-staged equipment on scene in the event of an emergency.

*Ideal for placement in the Front Office or Nurse's Station.
