

Bleeding Control Kit for Texas Schools

HB 496 Compliant

As low as \$59.95; Bulk Pricing Available

Time is a key factor in survival of a critical incident, especially when the injured is a child. The Con10gency™ Bleeding Control Kit for Texas Schools is designed to provide lifesaving, immediate assistance to a seriously injured individual before first responders arrive. This classroom-based kit allows students or staff to treat an injury without the need to move around the building and possibly expose themselves to further danger and is fully compliant with Texas HB-496.

This Bleeding Control Kit features the Combat Application **Tourniquet** (CAT), HyFin Vent **Chest Seals**, QuikClot® Hemostatic **Bleeding Control Bandage**, a 4" Trauma Dressing **Compression Bandage**, and more. This kit brings the tools of medical professionals directly into the classroom. As an educator, parent, volunteer, or student, you are best positioned to provide immediate care until help arrives. The Con10gency Bleeding Control Kit for Texas Schools gives you the tools to do so and remain in compliance with Texas law.
