

Bleeding Control Training Kit

Time is a key factor in survival of a critical incident, especially when the injured is a child. The Con10gency™ Bleeding Control Training Kit provides the necessary equipment to teach individuals the skills needed for bleeding control. These kits mirror the equipment in our standard Texas H.B. 496 Bleeding Control kits giving the student an immersive experience.

This Bleeding Control Training Kit features the Combat Application Tourniquet (CAT), HyFin Vent Training Chest Seals, QuikClot® Inert Moulage Training Gauze, a 4" Trauma Dressing Compression Bandage, and more. As an educator, parent, volunteer, or student, you are best positioned to provide immediate care until help arrives. The Con10gency Bleeding Control Training Kit for Texas Schools gives you the tools to train to respond in the event of a real emergency. Made in the USA. 5 year shelf life.
